Course: *National Incident Management System Incident Command System (NIMS ICS) All-Hazards Position Specific Program*

Position Specific Train-the-Trainer (TTT) classes set for FY 2013 at the Emergency Management Institute (EMI):

Sixteen offerings of the NIMS ICS All-Hazards Position Specific Command and General Staff and Unit Leader TTT classes are scheduled at the National Emergency Training Center (NETC) during fiscal year (FY) 2013. The full schedule and link to the FY 2013 training schedule may be viewed on EMI's training website at www.training.fema.gov/; in FY 2013 EMI Course Catalog; or on the All-Hazards Position Specific website at www.training.fema.gov/allhazards/.

Personnel interested in taking one or more of these courses are urged to submit a completed FEMA Form 119-25-1, General Admission application to NETC Admissions through their respective State Training Officers.

Draft version of the updated Administrative Guidelines are available for comment:

The Administrative Guidelines used to provide direction for the All-Hazards Position Specific training program have been updated and revised. A draft version has been distributed to all Regional Training Managers, State Training Officers, and other interested persons for comment and recommendations. After recommendations have been received, a final version will be prepared and the new version of the Guidelines will be distributed on or before August 30, 2012.

Notice to Applicants for FY 2013 courses:

Beginning on April 15, 2012, individuals applying for EMI classes will be required to register using the Training Administration Systems (CTAS) and obtain a Student Identification (SID) number. This number is

used in place of the Social Security Number (SSN) on the application form. **The SSN number is no longer required.**

Regional Position Specific class schedule set for FY 2013:

EMI sponsored course offerings for All-Hazards Position Specific classes have been set for four FEMA Regions in FY 2013 as noted below:

- Region II: New York State
- Region IV: Louisiana
- Region VII: Metro Kansas City area
- Region IX: California

Eight classes will be offered in each region. Class schedules along with the link to the FY 2013 course schedule are located on the Position Specific website: www.training.fema.gov/allhazards/. Registration information for all regional classes is also located on the Position Specific website.

New course under development:

The All-Hazards Position Specific training program will soon have an additional class. E/L984 Task Force/Strike Team Leader, is currently under development and is expected to be ready for delivery by October 1, 2012. An on-campus TTT version, E985 is also scheduled for FY 2013. Persons interested in applying for the TTT should complete and submit FEMA Application Form 119-25-1 to the NETC Admissions through their respective State Training Officers.
