NATIONAL EMERGENCY TRAINING CENTER • EMMITSBURG, MD 21727

FEMA

Course: *E905 – Integrated Emergency Management Course (IEMC): Hurricane: Preparedness and Response*

Course Dates:

February 11-14, 2013

Travel Dates:

Travel days are February 10, 2013 and February 15, 2013.

Course Length:

This course is 4 days in length.

Course Description:

This IEMC addresses preparedness and response in emergency situations resulting from a hurricane. This exercise-based course is conducted for participants from communities throughout the country. The IEMC places public officials and other key community leaders in a disaster simulation. The course methodologies of classroom instruction, planning sessions, and exercises allow for structured decision making in an educational, yet realistic, environment. A key outcome of this IEMC is that additional planning needs are identified, providing the opportunity to enhance overall preparedness. The exercise scenario for an IEMC: Hurricane Preparedness and Response focuses on evacuation issues prior to the simulated hurricane making landfall and response activities after landfall.

Notice to Applicants for FY 2013 courses:

Individuals applying for EMI classes will be required to register using the FEMA Student Identification (SID) number. This number will be used in place of the Social Security Number (SSN) on your application form.

The SSN number is no longer required.

How do I obtain my FEMA SID number?

Step 1: To register, go to <https://cdp.dhs.gov/femasid>

Step 2: Click on the "Need a FEMA SID" button on the right side of the screen.

Step 3: Follow the instructions and provide the necessary information to create your account.

Step 4: You will receive an email with your SID number. You should save this number in a secure location.

What do I do with this new SID number I have been assigned?

The SID number is used in place of the SSN on your General Admissions Application (FEMA Form 119-25-1) for any courses that begin on or after October 01, 2012.
