Course: *E0296 Application of HAZUS-MH for Risk Assessment*

Date: January 14-17, 2013

Course Description:

This course provides participants with an understanding of how they can use the HAZUS Risk Assessment software methodology and tools to assist them in their efforts to conduct the community risk assessments that are necessary to be compliant with ongoing requirements of the Disaster Mitigation Act of 2000.

Course Goal:

1. This course is designed to assist with setting conditions which must be met for communities to be eligible to receive certain disaster relief funding.
2. This course includes hands-on computer exercises using the HAZUS software and other tools such as the HAZUS Risk Assessment Tool and Flood Wizard to perform risk assessment-related tasks.
3. This course focuses on the process of applying the wealth of information that the HAZUS software includes, and that can produce, to the risk assessment process.

Course Length:

This course is 4 days in length. Travel days are Sunday, January 13 and Friday, January 18, 2013.

Continuing Education Units:

The Emergency Management Institute (EMI) awards 2.8 CEUs for completion of this course.

Pre-Requisites:

Strong Geographic Information System (GIS) experience and completion of the E/L313 Basic HAZUS-MH course are required. Recommend completion of the E/L317 Comprehensive Data Management for HAZUS-MH course. Participants must currently use or be planning to use GIS and HAZUS.

Target Audience:

This course is intended for the following: State and local emergency planners and GIS specialists, State and local planners, regional personnel with responsibility for mitigation and response activities, and other Federal agencies with risk assessment responsibilities.

TRAINING OPPORTUNITY

Notice to Applicants for FY 2013 courses:

Beginning on October 1, 2012, individuals applying for EMI classes will be required to register using the Training Administration Systems (CTAS) and obtain a Student Identification (SID) number. This number will be used in place of the Social Security Number (SSN) on your application form. The SSN number is no longer required

How do I obtain my FEMA SID number?

- Step 1: To register, go to <https://cdp.dhs.gov/elms>
- Step 2: Click on the “Create Account” button on the left side of the screen.
- Step 3: Follow the instructions and provide the necessary information to create your account.

What do I do with this new SID number I have been assigned?

The SID number should be used in place of the SSN on your General Admissions Application (FEMA Form 119-25-1). When you enter and use the system you will be able to print off and retain a student identification card.

EMI Point of Contact:
