

Private Property and Debris Removal (PPDR) Micro-Brief February 21, 2024 11:30 a.m. – 12:15 p.m. EDT

Program Description:

This 45-minute briefing provides participants with the specific requirements for requesting and conducting debris removal from private property after a presidentially declared disaster. It provides clarifying guidance for the removal of vegetative debris, construction and demolition debris, sand, mud, silt, gravel, rocks, boulders, appliances, and vehicle and vessel wreckage from private property. It also provides clarification of when previously demolished structures may be eligible for Hazard Mitigation Assistance (HMA) grant-funded projects.

Target Audience:

This brief is designed for state, tribal, territorial, and local officials who are responsible for planning, managing, and/or implementing debris removal and disposal activities for all types of presidentially declared disasters.

Topics:

1. Define PPDR
2. Eligibility Requirements
3. Commercial Debris Removal (CDR)
4. Eligibility for Demolition
5. Duplication of Benefits
6. PPDR, CDR and Demolition Request Approval Process

Registration:

All Students that are planning on attending this brief, must email fema-emi-randr@fema.dhs.gov with their name and organization. All registration is due by 12:00 p.m. EDT on February 14, 2024.

Training will be conducted on Adobe Connect: <https://fema.connectsolutions.com/rrmts/>
