### Course Length:

This course is ten days in length.

### Location:

State Preparedness Training Center, 5900 Airport Road, Rooms 109 & 110, Oriskany, NY 13424

### Course Description:

FEMA recognizes the need to tie training programs to an established set of emergency management competencies and to a Career Development Program through a progressive training and education system that includes the entry-level Academy, called the National Emergency Management Basic Academy. Training objectives for this course are based on the newly established emergency manager competencies that the National Emergency Management Association; the International Association of Emergency Managers; and state, local, territorial, and tribal emergency management professionals have established in coordination with EMI.

The following topics in emergency management are covered in this course: history; legal issues; intergovernmental and interagency context; influencing and organizing; social vulnerability issues; managing stress; collaboration, preparedness, and team-building; mitigation, response, prevention, and protection; ethical

decision-making; recovery; technology; administration; and the future.

### Course Goal:

At completion of this course, students will have a basic knowledge of the history of doctrine and authorities of emergency management, the role of the emergency manager, and an overview of all hazards.

### Prerequisites:

Six online Independent Study courses are required as prerequisites to the classroom courses. All six must be completed before submitting an application for E/L0101:

- IS-100 (any version) – Introduction to the Incident Command System (ICS)
- IS-120.a – An Introduction to Exercise
- IS-200 (any version) – ICS for Single Resources and Initial Action Incidents
- IS-230.d – Fundamentals of Emergency Management
- IS-700 (any version) – National Incident Management System (NIMS), An Introduction
- IS-800.b – National Response Framework, An Introduction

### Continuing Education Units (CEU's):

EMI awards 8.0 CEUs for completion of this course.

### Target Audience:

This course is intended for newly appointed emergency managers from Federal, state, local, tribal, and territorial emergency management agencies, and prospective professionals transferring from another discipline to emergency management.
