FEMA

## Course: *L0101 Foundations of Emergency Management*

### Course Dates:

October 21-25, 2019

### Travel Dates:

October 20 and October 26, 2019 (for those not in the local commuting area)

### Course Length:

This course is five days in length.

### Location:

Ohio Emergency Management Agency  
2855 West Dublin Granville Rd.  
Columbus, OH 43235

### Course Description:

FEMA recognizes the need to tie training programs to an established set of emergency management competencies and to a Career Development Program through a progressive training and education system that includes the entry-level Academy, called the National Emergency Management Basic Academy. Training objectives for this course are based on the newly established emergency manager competencies that the National Emergency Management Association; the International Association of Emergency Managers; and state, local, territorial, and tribal emergency management professionals have established in coordination with EMI.

The following topics in emergency management are covered in this course: history; legal issues; intergovernmental and interagency context; influencing and organizing; social vulnerability issues; managing stress; collaboration, preparedness, and team-building; mitigation, response, prevention, and protection; ethical decision-making; recovery; technology; administration; and the future.

It is mandatory that the participant complete all 40 hours of this course to receive full credit. Anything less will result in the participant's need to re-register for another course and start from the beginning.

### Course Goal:

At completion of this course, students will have a basic knowledge of the history of doctrine and authorities of emergency management, the role of the emergency manager, and an overview of all hazards.

### Prerequisites:

Participants must complete the 11-independent study (IS) courses before attending the 40-hour residence course (approximately 44 hours of training):

- IS-0100.a Introduction to the Incident Command System (ICS)
- IS-0120.c An Introduction to Exercise
- IS-0200.b ICS for Single Resources and Initial Action Incidents
- IS-0230.b Fundamentals of Emergency Management
- IS-0235.c Emergency Planning
- IS-0240.b Leadership and Influencing
- IS-0241.b Decision Making and Problem Solving
- IS-0242.b Effective Communication
