

## E0363 Multi-Hazard Emergency Management for Higher Education

**Course Dates:**

February 11 – 13, 2020

**Travel Dates:**

February 10, 2020 and February 14, 2020

**Course Length:**

This course is 3 days in length.

**Location:**

Emergency Management Institute (EMI)  
National Emergency Training Center (NETC)  
Emmitsburg, Maryland

**Course Description:**

The overall purpose of the course is to provide Institutions of Higher Education (IHEs) with an awareness of the knowledge and planning strategies needed to protect lives, property, and the environment by supporting incidents more effectively within the context of comprehensive emergency management.

**Course Goals:**

- Define comprehensive emergency management
- Recognize the importance of emergency planning as it relates to the unique needs of an Institution of Higher Education (IHE)
- Identify hazards that present risks for IHEs and the impacts of those hazards
- Identify the process and benefits of conducting a risk assessment
- Create a partnership with internal and external stakeholders
- Identify and assemble a planning team
- Develop or revise a multi-hazard Emergency Operations Plan (EOP)
- Develop and implement a strategy for training and testing an EOP

- Describe recovery considerations

**Prerequisites:**

Required: [IS100.c - Introduction to the Incident Command System, ICS 100](#).

**Continuing Education Units (CEU's):**

EMI awards 1.6 CEUs for completion of this course.

**Target Audience:**

The audience for this course consists of personnel from institutions of higher education and their community emergency management partners who have responsibilities for creating, reviewing, implementing, and exercising emergency operations plans (EOPs) for campuses.

The people who need to be trained are those who traditionally have experience in response strategies versus planning strategies, and who have minimal experience in emergency management planning, response support and/or recovery for institutions of higher education. Secondary audiences include: stakeholders from the surrounding community, administrators, and faculty.

### **NATIONAL EMERGENCY TRAINING CENTER (NETC) CAMPUS ACCESS – REAL ID ACT STANDARDS**

Does your ID meet the Real ID Act standards? Anyone entering the National Emergency Training Center (NETC) campus is required to show valid photo identification that meets [REAL ID Act standards](#). The purpose of the REAL ID Act is to stop terrorists from evading detection by using false identification. Check to [see if your state is compliant](#) (<https://www.dhs.gov/current-status-states-territories>).

If your driver's license does not meet the requirements of the REAL ID Act, you will need to bring one of the following acceptable forms of identification:

- A valid U.S. passport or passport card.
- A valid federal employee, military, or veteran ID card.
- A valid state-enhanced driver's license (Contact your state's motor vehicle department for availability).

Students from non-compliant states (a regular driver's license from these states will not be accepted) who do not possess any acceptable form of identification may request a National Crime Information Center (NCIC) check from the NETC Security Office. Note: This is a one-time NCIC check; a successful NCIC check is valid for 180 days; within the 180 day time-frame a student is expected to obtain a compliant form of identification).

Submit the following information to [Jason.Cawthon@fema.dhs.gov](mailto:Jason.Cawthon@fema.dhs.gov) in a password-protected document at least three weeks before your class:

- Your full name
- Date and place of birth
- Social Security Number

Students arriving at the NETC campus without a compliant ID or a successful NCIC criminal history check will be sent home at their own expense without receiving a stipend reimbursement.

Questions related to NETC campus access identification should be directed to [Jason.Cawthon@fema.dhs.gov](mailto:Jason.Cawthon@fema.dhs.gov) or 301-447-1513.
