

## ***REVISED National Emergency Management Basic Academy (NEMBA) Online - Virtual Offering***

### **Purpose:**

To provide an overview of the National Emergency Management Basic Academy (NEMBA) program and to provide dates and registration process for a New York virtual offering.

### **Program Description:**

The National Emergency Management Basic Academy (NEMBA) is designed for individuals pursuing a career in emergency management and provides a foundational education in emergency management knowledge, skills, and abilities. The goal of the Basic Academy is to support the early careers of emergency managers through a training experience combining knowledge of all fundamental systems, concepts, and practices of contemporary emergency management. The Basic Academy provides adult learners, facilitated by skilled faculty members, a solid foundation upon which to build a career in the emergency management profession. For more information, visit our website at: [The National Emergency Management Basic Academy](https://training.fema.gov/empp/basic.aspx) (<https://training.fema.gov/empp/basic.aspx>).

### **Target Audience:**

The National Emergency Management Basic Academy is designed for newly appointed emergency managers with less than 3 years of experience, including members of state, local, tribal, and territorial homeland security or emergency services programs; nongovernmental organizations, voluntary agencies, or professional organizations; private sector emergency management offices; college or university emergency management staff; and FEMA,

Federal partners, military and emergency managers at other departments or agencies. Preference will be given to New York State residents.

### **Classroom Requirements:**

The Basic Academy consists of the following classroom courses. Attendance at each course is required. E/K0101, Foundations of Emergency Management, should be taken first but is not required.
