

K0219 Mitigation Assessment Team (MAT) Workshop

Course Date:

Thursday, September 9, 2021

Course Length:

This course is 1 day in length.

Location:

This course will be delivered as a facilitated, distance learning training event using Adobe Connect Platform.

Course Description:

The goal of the Mitigation Assessment Team (MAT) Workshop is to cover the impact of natural hazards on structures and related infrastructure, MAT damage assessment, information contained in MAT Reports, and how to apply lessons learned to strengthen buildings to mitigate future disaster damages.

Course Objectives:

Upon completion of this course, participants will be able to:

1. Identify effective mitigation measures to reduce damage from flood and wind hazards.
2. Apply lessons learned from the MATs to mitigation projects under the Hazard Mitigation Assistance (HMA) programs and the Public Assistance purviews.
3. Prepare state, local community, and Tribal officials to either advocate for or implement more hazard-resistant building codes, standards, and ordinances to reduce future losses from natural hazards.

Required Prerequisites:

None

Continuing Education Units (CEUs):

EMI awards .65 CEU for completion of this course.

Target Audience:

The primary audience for this course consists of

professionals at State, Local community, Tribal and Territorial (SLTT) levels, including engineers, architects, scientists, design professionals, construction contractors, building owners, building officials, plan reviewers, and others.

Note to RTMs and RPMs and STOs: The online application form for admission must be received byNETC Admissions no later than **August 30, 2021.**

To Apply:

Scan the QR Code, or [click this link for information on how to apply for EMI courses:](#)

https://training.fema.gov/netc_online_admissions

Application Review:

To be evaluated for admission into this course, please upload required attachments. Please refer to the Target Audience above and indicate how you meet the requirements based upon your position and experience.

Notice to Applicants for EMI Courses:

Individuals applying for EMI classes will be required to register using the FEMA Student Identification (SID) number. This number will be used in place of the Social Security Number (SSN) on your application form. **The SSN is no longer required.**

How Do I Obtain my FEMA SID Number?

Step 1: [To register, go to https://cdp.dhs.gov/femasid](https://cdp.dhs.gov/femasid)

Step 2: Click on the “Register for a FEMA SID” button on screen.

Step 3: Follow the instructions and provide the necessary information to create your account.

Step 4: You will receive an email with your SID number. You should save this number in a secure location.
