Course Dates:

October 24–28, 2022

Travel Dates

October 23 and October 29, 2022

(For those not in the local commuting area)

Course Length:

This course is 5 days in length.

Location:

Virginia Department of Emergency Management
1st Floor Training Rooms
9711 Farrar Court
N. Chesterfield, VA 23236

Course Description:

The Basic Academy Train-the-Trainer consists of 2 days of discussions about course objectives, how to set up and facilitate the class, time management, and other general topics. The last 3 days consist of student teach-backs that describe activities and exercises to demonstrate students' grasp of the Basic Academy course subject matter.

All curriculum content of the Basic Academy courses is covered in the Train-the-Trainer to support a training experience that combines knowledge of all fundamental systems, concepts, and practices of contemporary emergency management. The Academy provides shared experiences of adult learners and skillful instructors, resulting in a solid foundation upon which to become a qualified Basic Academy instructor.

Course Goal:

The goal of the Basic Academy Train-the-Trainer is to provide a sound and consistent basis for new instructors to learn to teach foundational concepts

of emergency management and develop skills in planning, exercises, and public information and warning.

Prerequisites:

Participants of the course have met the following selection requirements:

- Five years of experience in Emergency Management
- Three years of classroom training experience in adult learning
