

Course: L0363 *Multi-Hazard Emergency Management for Higher Education*

2017 Schedule is Available

This Federal Emergency Management Agency (FEMA) Emergency Management Institution (EMI) course is designed to be delivered to **teams of higher education campus personnel and their emergency partners** who are responsible for creating, reviewing, implementing and exercising emergency operations plans (EOPs). The target audience for this course is people who have traditional response or strategic experience, but minimal experience in emergency management planning. The three-day course is primarily interactive presentations coupled with numerous individual and group activities and exercises.
