

Course: L0675 Basic Interagency Logistics Course (ILC)

Course Dates:

April 3-6, 2017

Travel Dates:

Travel days are Sunday and Friday.

Course Length:

4 days

Location:

Colorado State EOC
9195 E. Mineral Avenue
Centennial, CO 80112

Course Description:

This basic IL course is conducted seminar-style. It familiarizes participants with IL concepts of planning and response and facilitates discussion on key interagency (Whole Community) logistics topics.

Course Goal:

The goal of the course is to familiarize students with the logistics planning considerations for all hazards, response activities for Federal, State, local, territorial, tribal, nongovernmental organizations, and other partners which provide Logistics support in accordance with the "Whole Community" concept set forth in Presidential Policy Directive (PPD) 8, dated March 2011. The course also provides an overview of IL Partner disaster response organizations. It identifies and discusses parameters for logistics support coordination and creates a "Whole Community" forum for the exchange of best logistics practices. This course is focused on the Regional aspect of Logistics support during incidents. The majority of our presenters are Region 8 personnel.

Prerequisites:

There are currently no mandatory pre-requisites; however, the following courses are recommended:
