INNOVATIVE PROGRAMING

The EMvision Talks are modeled on the well-known TED™ Talk format and are a new way to communicate thought leadership in emergency management.

More than just another conference, IAEM gives you innovative ideas, networking with experts and peers and important information on professional practices and issues. Plus, you will leave with strategies and tools you can implement in your organizations.

MAXIMIZE YOUR CONTINUING EDUCATION

To Register for an EMI class, please visit the IAEM Conference website:
