

Course: *E0296 Application of Hazus-MH for Risk Assessment*

Course Dates:

June 18-21, 2018

Travel Dates:

June 17 and June 22, 2018

Course Length:

This course is 4 days in length.

Location:

Emergency Management Institute (EMI)
National Emergency Training Center (NETC)
Emmitsburg, Maryland

Course Description:

This course provides mitigation planners with the skills to use Geographic Information Systems (GIS) tools, with an emphasis on Hazus-MH, to create and update the flood, hurricane and earthquake components of community risk assessments. A combination of individual as well as group activities lead the class through the step-by-step process of conducting a risk assessment including hazard identification, profiling of hazards, developing asset inventories, estimating losses, and prioritizing mitigation options.

Course Goal:

Upon completion of this course, participants should be able to:

1. Define the components of the mitigation planning process - with a focus on risk assessment - that can be supported by geospatial tools and data.

2. List specific examples of how the capabilities of Hazus-MH, as well as Hazus-MH model inputs, can support risk assessments for floods, earthquakes, hurricanes and other types of hazards.
3. Identify strategies for improving Hazus-MH inputs and other related GIS data in order to derive the most benefit from GIS tools when applied to risk assessment and other aspects of mitigation planning.

Prerequisites:

E0313, Basic Hazus-MH and skills equivalent to those taught in E0190, ArcGIS for Emergency Managers.

Continuing Education Units (CEU's):

EMI awards 2.8 CEUs for completion of this course.

Continuing Education Credits (CEC's):

NATIONAL EMERGENCY TRAINING CENTER (NETC) CAMPUS ACCESS – REAL ID ACT STANDARDS

Does your ID meet the Real ID Act standards? Anyone entering the National Emergency Training Center (NETC) campus is required to show valid photo identification that meets [REAL ID Act standards](#). The purpose of the REAL ID Act is to stop terrorists from evading detection by using false identification. Check to see if your state is compliant at <https://www.dhs.gov/current-status-states-territories>.

TRAINING OPPORTUNITY

If your driver's license does not meet the requirements of the REAL ID Act, you will need to bring one of the following acceptable forms of identification:

- A valid U.S. passport or passport card.
- A valid federal employee, military, or veteran ID card.
- A valid state-enhanced driver's license (Contact your state's motor vehicle department for availability).

Students from non-compliant states (a regular driver's license from these states will not be accepted) who do not possess any acceptable form of identification may request a National Crime Information Center (NCIC) check from the NETC Security Office. Note: This is a one-time NCIC check; a successful NCIC check is valid for 180 days; within the 180 day time-frame a student is expected to obtain a compliant form of identification).

Submit the following information to Michael.Wells@fema.dhs.gov in a password-protected document at least three weeks before your class:

- Your full name
- Date and place of birth
- Social Security Number

Students arriving at the NETC campus without a compliant ID or a successful NCIC criminal history check will be sent home at their own expense without receiving a stipend reimbursement.

Questions related to NETC campus access identification should be directed to Jane.Sentz@fema.dhs.gov or 301-447-7207.
