

K0146 - Homeland Security Exercise Evaluation Program (HSEEP) Webinar

Course Dates:

January 26-29, 2021 (Tuesday-Friday), 1300-1700 Pacific Standard Time

Course Length:

This course will be conducted in four-hour blocks, over four consecutive days.

Location:

Online, Adobe Connect Webinar course.

Course Description:

This is an intermediate-level course that provides a comprehensive overview of exercise design and practical skill development in accordance with Homeland Security Exercise and Evaluation Program (HSEEP) Doctrine. This course uses activities that provides participants the opportunity to interact with many of the templates and materials provided by the National Exercise Division to ensure exercises are conducted in a consistent manner.

It is mandatory that participants complete all 16 hours of this course to receive full credit. Anything less than 16 hours results in the participant needing to re-register for another course and start from the beginning.

Course Goal:

Upon completion of this course, students have increased awareness of the Homeland Security Exercise Evaluation Program Doctrine, clarified roles and responsibilities, and improved teamwork and coordination in planning exercises.

Prerequisites:

Participants are required to complete IS-0120 (a or c) – *An Introduction to Exercises*.

It is recommended that participants also complete IS- 0130.a – *How to be an Exercise Evaluator*

Continuing Education Units (CEU's):

EMI awards 1.6 CEUs for completion of this course.

Target Audience:

The target audience for this course is emergency management personnel, public safety personnel and personnel with primary exercise development roles and responsibilities, along with their supervisors who may be responsible for budget management, design, development, conduct, evaluation, and improvement planning of exercises. The target audience also includes those in the following roles in local, state, tribal or the Federal governments:

- Senior and Elected Officials
