

## National Emergency Management Basic Academy (NEMBA) Beaufort, SC

### Purpose:

To provide an overview of the National Emergency Management Basic Academy (NEMBA) program and to provide dates and registration process in Beaufort, SC.

### Program Description:

The National Emergency Management Basic Academy is designed for individuals pursuing a career in emergency management and provides a foundational education in emergency management knowledge, skills, and abilities.

The goal of the Basic Academy is to support the early careers of emergency managers through a training experience combining knowledge of all fundamental systems, concepts, and practices of contemporary emergency management. The Basic Academy provides adult learners, facilitated by skilled faculty members, a solid foundation upon which to build a career in the emergency management profession. For more information, visit our website at: [The National Emergency Management Basic Academy](https://training.fema.gov/empp/basic.aspx) (<https://training.fema.gov/empp/basic.aspx>).

### Target Audience:

The National Emergency Management Basic Academy is designed for newly appointed emergency managers with less than three years of experience, including members of state, local, tribal, and territorial homeland security or emergency services programs; nongovernmental organizations, voluntary agencies, or professional organizations; private sector emergency management offices; college or university emergency

management staff; and FEMA, federal partners, military and emergency managers at other departments or agencies.

### Classroom Requirements:

The Basic Academy consists of the following courses. Attendance at each course is required. E/L0101, Foundations of Emergency Management, should be taken first but is not required.
