

K0318: Local Hazard Mitigation Planning

Course Dates:

May 18-20, 2021 (Tuesday-Thursday), 12-4 p.m. - Eastern Standard Time (EST)

Course Length:

This course will be conducted in 4-hour blocks, through a virtual instructional platform consisting of three consecutive half-day modules.

Location:

Online, Adobe Connect Webinar course.

Course Description:

After attending this course, participants will be able to:

- Describe the roles and responsibilities of the various partners involved in Hazard Mitigation Planning (HMP).
- Describe how to organize the Hazard Mitigation Planning process and engage community members.
- Describe how to identify at-risk community assets and hazards as they relate to risk assessment.
- Describe the steps involved in identifying vulnerabilities, and the impacts of those vulnerabilities.
- Describe the process of developing mitigation strategies and actions that reflect the results of the risk assessment and capabilities of the community.
- Describe the process of maintaining and updating a hazard mitigation plan.
- Describe the process for implementing a hazard mitigation plan.
- Describe the available mitigation funding and assistance.

Course Goal:

The goal of this course is to provide local governments and their partners with the information necessary to prepare and implement their hazard mitigation plan.

Prerequisites:

There are no course prerequisites.

Continuing Education Units (CEUs):

EMI awards 1.2 CEUs for completion of this course.

Target Audience:

This course is for local community officials, emergency managers, planners, and other partners who are involved in hazard mitigation planning. The course is also appropriate for planning consultants.

To Apply:

Apply for this course: [National Emergency Training Center Online Admissions Application](https://training.fema.gov/netc_online_admission) (https://training.fema.gov/netc_online_admission).
Registration period for this course is May 3-14.

Application Review:

To be evaluated for admission into this course, block #16 on the application form must be completed. Please refer to the Target Audience above and indicate how you meet the requirements based upon your position and experience.

Please note - NETC Admissions will notify you of your acceptance into this course via email with an Acceptance Letter/Welcome Package. The Adobe Connect course manager will send a separate email prior to the course conduct, outlining how to register for this course within the Adobe Connect system.

TRAINING OPPORTUNITY

Notice to Applicants for EMI courses:

Individuals applying for EMI classes will be required to register using the FEMA Student Identification (SID) number.

How do I obtain my FEMA SID number?

Step 1: To register, go to: [FEMA Student Identification System](https://cdp.dhs.gov/femasid)

(<https://cdp.dhs.gov/femasid>)

Step 2: Click on the "Register for a FEMA SID" button on screen.

Step 3: Follow the instructions and provide the necessary information to create your account.

EMI Point of Contact:**Mitigation Planning Program Point of Contact:**

Please email FEMA-Mitigation-Planning@fema.dhs.gov or Shubha.Shrivastava@fema.dhs.gov

EMI Training Point of Contact:
