Course Length:

This virtual course will be held over 2 consecutive days (5 hours/day) during the dates and times indicated.

Course Description:

This course was developed by the American Red Cross and FEMA to train participants in sheltering practices and techniques. It is designed for use with its companion piece, the Shelter Field Guide.

Course Goal:

The goal of the course is to familiarize students with the seven different roles involved in sheltering, the resources available to shelters, how to prepare for shelter operations, and how to use the Shelter Field Guide to open, operate, and close a shelter.

Prerequisites:

None

Continuing Education Units (CEUs):

EMI awards .8 CEUs for completion of this course.

Target Audience:

This course is intended for Shelter managers and functional supervisors representing faith-based groups, non-profit companies, or private industry.

To Apply:

Participants must apply using the National Emergency Training Center (NETC) online admissions system to gain access to the course. Before applying through the NETC online admissions system, a valid FEMA student identification number (SID) is required.
