Course Dates:

December 6–7, 2021

Travel Dates:

December 5 and 10, 2021

Course Length:

This course is 2 days in length, 8 hours each day. This is the second of a two-part course being delivered consecutively (E0050). If you apply for E0139, please also apply for E0050. If you only wish to attend ONE, you will be responsible for your own transportation to and from the National Emergency Training Center campus.

Location:

Emergency Management Institute (EMI) National Emergency Training Center (NETC) Emmitsburg, Maryland.

Course Description:

This course is designed to expand your knowledge of exercise design and development consistent with the Homeland Security Exercise and Evaluation Program (HSEEP) doctrine.

- Categorize the types of exercises defined by HSEEP and understand the differences and commonalities.
- Demonstrate the basic components of an exercise program and examine how those components support exercise development.
- Describe the audience and purpose of the key exercise design and development planning documents and develop those products in class as part of Exercise Planning Team.

Target Audience:

Ideal candidates will have 1–3 years' experience designing and conducting emergency management exercises consistent with the HSEEP Doctrine.

Prerequisites:

- E/L/K0146: *Homeland Security Exercise and Evaluation Program (HSEEP)*
- IS-0120.c: *An Introduction to Exercises*

How to Apply:
