### **Course Dates:**

September 19–23, 2022

### **Travel Dates:**

September 18 and 24, 2022 (for those not in the local commuting area)

### **Course Length:**

This course is 5 days in length.

### **Location:**

Mobile County Emergency Management Agency  
7350 Zeigler Boulevard  
Mobile, AL 36608

### **Course Description:**

FEMA recognizes the need to tie training programs to an established set of emergency management competencies and to a Career Development Program. This is done through a progressive training and education system that includes the entry-level National Emergency Management Basic Academy.

The Emergency Management Institute, in conjunction with the National Emergency Management Association; the International Association of Emergency Managers; and state, local, territorial, and tribal emergency management professionals, has established training objectives to meet the professional development needs of emergency managers.

The following topics in emergency management are covered in this course:

- legal issues
- intergovernmental and interagency context
- influencing and organizing
- social vulnerability issues

- collaboration, preparedness, and team building
- mitigation, response, recovery, prevention, and protection
- ethical decision making
- technology
- administration
- the future of emergency management

It is mandatory that participants complete the 50 hours of IS prerequisite courses, as well as the 40 hours of classroom instruction in order to receive full credit for the course. Not meeting these requirements will result in participants needing to re-take the entire classroom portion of the course.

### **Course Goal:**

At completion of this course, participants will have a basic knowledge of the history of doctrine and authorities of emergency management, the role of the emergency manager, and an overview of all hazards.

### **Prerequisites:**
