3 days

Course Location:

Emergency Management Institute (EMI)
National Emergency Training Center (NETC)
16825 South Seton Ave
Emmitsburg, Maryland 21727

Course Description:

This course enables emergency management, response, and recovery personnel to understand, activate, implement, and use the EMAC system more effectively. The purpose of EMAC is to provide mutual assistance between EMAC's membership when the Governor has declared a state of emergency or disaster.

Course Goal:

The goal is to introduce emergency management, response, and recovery personnel to EMAC and the EMAC process so they can knowledgeably use the Nation's interstate mutual aid system.

Course Objectives:

- Describe and apply the legal authorities in EMAC law.
- Describe the EMAC governance structure and Member State roles and responsibilities.

- Apply the processes for requesting and offering assistance through the EMAC system.
- Implement the Mission Ready Packaging and cost estimation methodology.
- Apply the recommended actions during each phase of the EMAC process.
- Explain the EMAC levels of operation and EMAC Operational Management system.
- Apply the EMAC reimbursement processes and procedures.

Pre-requisites:

None

Target Audience:

- Personnel from any jurisdiction or organization who can be legally deployed via EMAC, or
- Personnel from organizations who may request or provide assistance via EMAC, or
- Individuals desiring a more comprehensive working knowledge of EMAC
