

**Federal Emergency Management Agency
Emergency Management Institute
National Emergency Management Advanced Academy**

Commitment Statement

The Emergency Management Advanced Academy series consists of four 5-day resident courses held at the Emergency Management Institute over a period of 18 months. All courses E0451, E0452, E0453 and E0454 must be attended in sequence. The series also includes three 4 hour bridging distance learning sessions following the E0451, E0452 and E0453 resident course; pre course reading assignments; development of a formal research paper during the series; and completion of a formal Research Paper 2 weeks prior to the final resident course.

By signing this statement, I commit to participate fully in the program's in-class and between-class activities, including attending and completing each course in sequence along with my cohort and completing the Leadership Research Project.

I, _____, understand and agree to accept the requirement of completing all activities of the **Emergency Management Advanced Academy**.
