

# 24<sup>th</sup> Annual Emergency Management Higher Education Symposium

June 6–9, 2022

## Coming Together to Chart a New Path: Empowering the Higher Education Community to Create Transformational Change

The 24<sup>th</sup> Annual Emergency Management HiEd Symposium will be held June 6–9, 2022, **at the National Emergency Training Center (NETC) in Emmitsburg, Maryland**. FEMA's HiEd Program will coordinate workshops, plenaries, and breakout sessions highlighting how to build, engage, and amplify the work of the emergency management academic community.

The Symposium offers an opportunity to network, gain exposure to successful academic programs and research, and learn about new resources, teaching approaches, and methodologies. Sessions aim to connect educators, practitioners, and researchers.

Symposium tracks:

- Scholarship of Teaching and Learning (SoTL) in Emergency Management
- Research Methodology and Integration
- Policy and Administration of Emergency Management
- Equity, Diversity, and Inclusion
