

**Enter College/University Name - Official Program Title**

Kaplan University - Bachelor of Science in Fire and Emergency Management

**Enter a Brief Program Description:**

The general public and government appointees are demanding higher levels of training and education for those who lead our nation's first response teams to catastrophic disasters, terrorist incidents, and typical emergencies. This degree program is designed for emergency services personnel who want to increase their administrative and management knowledge as well as occupational and life safety awareness. It also prepares students to face new challenges in technology, human resource management, and fiscal responsibility.
