

Enter College/University Name - Official Program Title

University of Colorado Colorado Springs, Homeland Security & Emergency Management Leadership

Enter a Brief Program Description:

The Graduate Certificate in Homeland Security and Emergency Management Leadership is designed for law enforcement, public safety, and emergency first responders, as well as military personnel potentially interested in civilian security careers. This certificate will expose students to the threats to the United States, ranging from terrorism and natural disasters to climate change. Classes are taught by recognized experts, with extensive practical experience in leadership positions at law enforcement and emergency management agencies.
