

Eastern New Mexico University - Bachelor of Applied Arts and Sciences, Minor in Emergency Management, and a Certificate in Emergency Management

Eastern New Mexico University is offering a Bachelor in Applied Arts, Minor in Emergency Management and a Certificate in Emergency Management.

The program is designed for criminal justice, law enforcement/police science, EMS, and military science leaders working in emergency management, base operability and other similar employment situations.

EMGT courses at ENMU can be used for three purposes:

- Students taking 21 credits as specified below may use their EMGT courses as a minor.
- Students taking 21 credits as specified below may earn a Certificate in Emergency Management.
- Students taking 30 credits in EMGT may use these hours as their secondary concentration for the BAAS.

The B.A.A.S. program requires a total of 128 credits hours for completion, 30 in the Emergency Management concentration. The minor in Emergency Management and the Certificate program require a total of 21 credit hours and completion of EMGT 475 Capstone in Emergency Management (3).

Both BAAS and Certificate programs are offered completely online.

Suggested curriculum for the Bachelor in Applied Arts and Sciences with Emergency Management Concentration:

- General Education: 38 hours
- Primary Concentration (EMS, Fire Science, Law Enforcement, etc.): 30-58 hours
- Secondary Concentration Area for BAAS in EMGT:

EMGT 302	Introduction to Emergency Management	(3)
EMGT 310	Disaster Response	(3)
EMGT 312	Disaster Recovery	(3)
EMGT 303	Emergency Services Administration and Management	(3)
EMGT 400	Emergency Preparedness	(3)
EMGT 410	Hazard Mitigation	(3)
EMGT 403	Community Risk Reduction for Fire and Emergency Services	(3)
EMGT 402	Legal, Political and Regulatory Issues	(3)
EMSM 405	Public Health Emergencies – OR –	(3)
EMGT 401	Homeland Security	(3)
EMGT 475	Capstone in Emergency Management	(3)

- Electives to complete a minimum of 120 hours.

Certificate of Emergency Management

Professionals working in this area may obtain a Certificate of Emergency Management. A total of 21 semester hours, including completion of EMGT 475 Capstone in Emergency Management are required for the certificate.

Students may start any semester of the program. All required courses must be complete prior to enrollment in EMGT 475 Capstone in Emergency Management. With concurrent of the Program Manager, EMGT 475 can be taken with the last course in the student's sequence.

Curriculum for the Certificate of Emergency Management and Minor in Emergency Management:

EMGT Certificate Course Requirements (21 hours):

EMGT 302	Introduction to Emergency Management	(3)
EMGT 310	Disaster Response	(3)
EMGT 312	Disaster Recovery	(3)
EMGT 410	Hazard Mitigation	(3)
EMGT 400	Emergency Preparedness	(3)
EMSM 405	Public Health Emergencies	(3)
EMGT 475	Capstone in Emergency Management	(3)
