

Kaplan University – Bachelor of Science in Criminal Justice – Homeland Security Emphasis

Kaplan University offers a Bachelor of Science in Criminal Justice with a Homeland Security Emphasis. A criminal justice degree can help professionals interested in building their knowledge, leadership skills, and expertise in criminal justice position themselves for advancement, or a lateral move, such as moving into Homeland Security opportunities. And in fact, some of our graduates have used their degree to advance in police departments, seek careers in Federal agencies such as U.S. Customs and Border Protection, and pursue commissioned jobs in the U.S. Military.

The degree offers a strong foundation of professional skills and knowledge, while allowing students to specialize in a particular area of interest such as homeland security. And electives allow you to further customize your degree plan to best fit your professional goals. Elective options include courses in legal studies, public administration, and information technology.

Homeland Security Emphasis:

CJ 307	Crisis Management in Terrorist Attacks and Disasters
CJ 355	Homeland Security
CJ 407	Crisis Negotiation
FS 320	Recovery Practices in Emergency Management

Total Major Requirements: 180

Kaplan University is accredited by The Higher Learning Commission (HLC) and a member of the North Central Association of Colleges and Schools (NCA).
