Adelphi University, Garden City - Online Graduate Certificate in Emergency Management

Adelphi University offers an online 18-credit interdisciplinary Graduate Certificate in Emergency Management for those students who have earned a bachelor’s degree and wish to explore this academic field. The certificate curriculum was designed to expose students to the essential elements of graduate emergency management, so that they may enhance their knowledge and elevate their career potential. The program of study includes five required emergency management courses and one student-chosen elective. Students who wish to continue their studies upon the completion of their Graduate Certificate may apply their credits toward Adelphi’s Master of Science in Emergency Management degree program.

**Required courses**

- 0616-501: Introduction to Emergency Management
- 0616-503: Health Management in Times of Disaster
- 0616-504: Organizational Planning and Response
- 0616-530: Business Continuity
- 0616-540: Emergency Management Law and Ethics

**Potential elective courses**

- 0125-590: Hazardous Waste Operations and Emergency Response
- 0125-590: Geographic Information Systems
- 0302-613: Special Needs of Vulnerable Groups During Disasters
- 0302-693: Epidemic and Pandemic Planning and Response
- 0616-602: Public Policy Administration in Emergency Management
- 0616-603: Securing the Homeland

Adelphi is accredited by the New York State Education Department and the Middle States Commission on Higher Education.
