Bethel University – Bachelor of Science in Emergency Services Management

Bethel University offers a 100% online bachelor's degree in Emergency Services Management. The program is designed for working professionals, that allows students to enroll in one course at a time with five-week courses. Courses are taught by industry professionals; the coursework is relevant and targeted toward the future leader of emergency services agencies. Transfer in up to 80 hours of previously completed coursework, including possible credit for Academy training and military experience. Cohorts start throughout the year, so they're ready whenever you are.
