

Capella University - Doctor of Emergency Management

Make solid, quick decisions that will save lives and keep the public safe. Capella's online Doctor of Emergency Management degree will help you gain immediately applicable skills in your career. Critically analyze all phases of emergency management to pursue leadership, managerial, or operational careers. You'll be able to develop and implement policy and work as emergency management consultants in a public safety organization or within the general emergency management field. This professional doctorate emphasizes building leadership, professional communications, and ethical decision-making skills.
