Coastline Community College, Garden Grove - Certificate of Achievement in Emergency Management and Homeland Security

The degree program is designed to prepare students to enter the emerging professions of disaster management and/or homeland security. The curriculum is designed to provide students with a foundation of technical and professional knowledge needed by emergency and security workers to meet national, state and local public safety needs, both in the public and private sections. The program emphasizes an “all-hazards” approach to emergency planning/homeland security, with courses in emergency preparedness, response and recovery, incorporating Federal Emergency Management Agency (FEMA) and Emergency Management Institute (EMI) curriculum. In addition, it offers homeland security course teachings in terrorism, intelligence, critical infrastructure and the National Response Framework (NRF).
