Crown College, School of Online Studies – Bachelor of Science in Disaster and Emergency Management

Crown College offers a unique Christ-centered, online Bachelor of Science degree in Disaster and Emergency Management. Designed for those working in law enforcement, military personnel, city planning, and nonprofit relief organizations, the program includes coursework in emergency preparedness and crisis communications, recovery operations and biblical principles for effective community relief and redevelopment. Crown’s degree in Disaster and Emergency Management is offered 100% online and addresses the management principles, public policies and best practices that are essential for any emergency management professional as well as the faith components that often go hand-in-hand with rebuilding affected communities. Crown College is fully accredited and highly ranked by MONEY Magazine for added value.
