

Cumberland County College – Justice Studies Associate in Science with Homeland Security Concentration

Cumberland County College is offering a Justice Studies Associate in Science with a Homeland Security Concentration. The Homeland Security Concentration will offer insight into the implications of maintaining homeland security. The program will examine the basic responsibilities of defending the United States. Students will study counterterrorism and antiterrorism, law enforcement, border and transportation security, critical infrastructure protection, and emergency response. The program can be taken online or as traditional classroom based.

Required Core Courses (33 credits):

Criminology and Penology
Criminal Law
Diversity Issues in Criminal Justice
Introduction to Cybercrime
Introduction to Terrorism
Administration of Justice
Criminal Psychopathology
Criminal Justice Field Work
Computer Forensics
Public Administration

General Education Requirements (33/35 Credits)

Total Credits: 66/68

Cumberland County College is accredited by the Middle States Association of Colleges and Schools.
