Elizabeth City State University, Elizabeth City - Bachelor of Science in Emergency Management

Elizabeth City State University (ECSU) is proud to offer a BS degree in Emergency Management (EM). ECSU’s EM program is committed to graduating quality students, properly prepared to protect their organization, community and country from threats natural and man-made. The ECSU program philosophy is that effective hazard management is best accomplished through a well-trained workforce comprised of persons with a wide-range of backgrounds and talents. Come to discover the world of EM at ECSU; leave prepared to face any threat to your organization, community or country may encounter.

ECSU’s EM major, minor and certificates have full accreditation from the Southern Association of Colleges and Schools (SACS). The EM BS degree consists of a total of 120 hours of academic credit, including 35 hours of general education courses, 36 hours of core EM courses, 9 hours of core electives, 15 hours of related area electives, and 25 hours of free electives.
