

## **Florida State University**

The Geography Dept. is offering the following courses:

Living in a Hazardous Environment  
Disaster Preparedness and Hazard Mitigation  
Hurricanes and Society

Several other courses are offered in a variety of departments. The School of Public Administration offers eleven emergency management courses to choose from in their graduate and undergraduate EM Certificate program and MPA degree specialization. The Geology Department offers a course entitled “Geologic Hazards”. The Department of Urban and Regional Planning offer two hazard-related courses: “Coastal Planning” and “Methods of Environmental Analysis”.
