

Medaille College – Bachelor of Science in Homeland Security

Medaille College offers a Bachelor of Science in Homeland Security Program. The program is designed to prepare individuals to become qualified leaders of local, state or federal emergency management, law enforcement and security. The curriculum will teach students the theories and tools needed to prepare for, prevent and recover from any number of disaster and emergencies. Courses covering topics such as domestic and international law, emergency management, terrorism and community preparedness, all from a global perspective

The Homeland Security degree is delivered both on-ground and online. Medaille's online program format offers students the greatest opportunity to work their bachelor's degree into their life. Graduates will find rewarding work in a growing industry and gain hands-on experience for career opportunities, including:

- Air Marshal
- Airport Security Director
- Citizenship and Immigration Officer
- Corporate Safety Manager
- Disaster Preparedness Official
- Federal Law Enforcement Officer
- Security Consultant
