

Medaille College – Master of Science in Homeland Security

Medaille's Master of Science in Homeland Security prepares students for careers as professionals trained, educated and equipped to recognize, evaluate, prepare and respond to incidents involving terrorism, man-made or natural disasters, and other homeland security-related issues.

Graduates will:

Attain mastery in the diverse fields of study related to homeland security
Engage in and conduct complex and advanced analysis of homeland security-related issues
Learn to communicate both orally and verbally in a manner commensurate with the professional requirements of a homeland security professional
Understand how to apply discipline-specific knowledge in a professional setting
Develop methods of engaging and empowering others with ethical values through leadership and by example

TOTAL CREDITS: 30 credits

DELIVERY: Online

CORE PROGRAM DURATION: 12 months

Courses:

HLS501, Introductory Seminar in Homeland Security
