Northern Arizona University, Online and Innovative Educational Initiatives, EMGT - Bachelor of Applied Science or Interdisciplinary Studies in Emergency Management

NAU's EMGT program prepares you to become an effective and ethical emergency manager (whether as a full-time emergency manager or taking on emergency management responsibilities as part of other job duties) in the public, nonprofit and private sectors, and for graduate school. Our program emphasizes experiential learning by linking theory to specific work situations, addresses the phases of emergency management: prevention, protection, mitigation, response and recovery, and focuses on effective communication, critical thinking, problem solving, ethics, leadership and budgeting.
