

Notre Dame College, Center for Intelligence Studies – Bachelor of Arts in Intelligence Studies

Notre Dame College's Center for Intelligence Studies offers a Bachelor of Arts in Intelligence Studies. The program is designed to provide students with the necessary skills to begin careers as entry level intelligence analysts in areas of national security, criminal investigations and in private enterprise.

Students in the Intelligence Studies program will be able to:

- Identify and describe current and potential threats to the security of the United States from a domestic, regional and global perspective.
- Write and present oral reports consistent with the expectations of the intelligence community
- Write detailed and precise intelligence assessments consistent with the expectations of the intelligence community
- Identify, describe, and discuss the intelligence cycle and the intelligence process knowledgeably
- Recognize and describe the various federal agencies that make up the national intelligence community and discuss their respective missions.
- Develop proficiency in a foreign language
- Discuss and analyze non-Western cultures in order to develop accurate intelligence assessments consistent with the expectations of the intelligence community

Candidates for this degree must complete a total of 45 credits, including 12 credits in a foreign language.

Required Core Courses:

IP 150	Introduction to Intelligence	3
IP 250	Methods of Research and Analysis	3
