

## Ohio Christian University – Bachelor of Arts in Emergency Management

The Emergency Management Degree from Ohio Christian University will provide the necessary preparations and qualifications to work in the emergency and disaster relief fields. Emergency Management is made up of three major sub-fields: Government, Non-Profit, and Private organizations. The curriculum within the Emergency Management program at OCU will provide the foundations for success in all three. This program seeks to provide a rigorous academic program deliberately coupled with actual field work; creating a more proficient and practiced graduate.
