Rabdan Academy - Bachelor of Science in Policing and Security

The Policing and Security program consists of courses surrounding the management of police operations in the United Arab Emirates and includes leadership, crime investigation, community policing, strategic planning, and command of operations. Through a combination of lecture, discussion, simulation exercises, and applied real-world scenarios, students learn team organization, professional ethics, interagency operations, and resilience through the core principles of contemporary relevance, integration, cooperation, multi-agency coordination, and interoperability. Completion of specified courses earns a concentration in Comprehensive Police Station Management. Graduates are leaders who contribute to the safety, security, defence, emergency preparedness, and crisis management (SSDEC) for resilience of the nation.

Program is structured as follows: general education: 36cr, core courses 48cr, elective courses: 36cr for a total of 120cr.
