

Southwestern College – Bachelor of Science in Information Systems Management-Security Specialty

The Information Systems Management (I.S.M) Program prepares learners to successfully manage information systems innovation, design, development and operations. The program emphasizes broad knowledge and skills in information systems management and administration and applied knowledge in project, information security, design and development and innovation management. In addition, the I.S.M. Program offers areas of specialization in security, enterprise, and data management and decision support.

Learners demonstrate their knowledge and skills throughout the program through their application to realistic scenario and simulation-based activities and applied projects. The core program is 30 hours with 10 core courses and, if a specialty is chosen, nine additional hours in three specialization courses.

Required Core Courses:

ISM 200: Management of Information Systems
ISM 240: Introduction to Problem Solving
BQM 444: Project Management
SMGT320: Information Security
BSAD420: Information Systems Analysis and Design
HRD 323: Finance for Non-Financial Managers
ISM 367: Business Intelligence and Analytics
ISM 400: Database Management Systems
ISM 401: Managing Innovation
CAPS495: Senior Capstone

ISM Specializations:

Security

ISM 421: Digital Security
ISM 431: Enterprise Security
ISM 441: Enterprise Incidence Response

Enterprise Systems

ISM 427: Enterprise Architecture Management
ISM 431: Enterprise Security
ISM 437: Emerging Technologies and the Enterprise

Data Management & Decision Support

ISM 424: Database Design and Decision Support
ISM 434: Decision Support Modeling
ISM 444: Data Visualization

Foundations Requirements:

CORE101: Developing Academic and Professional Strengths

CORE110: Information Literacy

ENGL101: Composition 1

ENGL102: Composition 2

COM 125: Speech

HUM 201: Ethics

COM 301: Professional Communication

- Humanities (6 credits)
- Natural Sciences/Mathematics (4 credits)
- Social Sciences (6 credits)

Complete a minimum of 124 credit hours, with at least 60 hours at a bachelor's degree-granting institution. At least 30 credit hours with a C average or above must be completed at Southwestern College.

Southwestern College is accredited by The Higher Learning Commission and is a member of the North Central Association.
