

**State University of New York, Rockefeller College, Albany - Master of Public Administration Homeland Security Concentration**

Rockefeller's nationally ranked MPA program develops leaders, managers, and advanced analysts who excel in public service in the public, private and non-profit sectors. There are three components of the MPA: first, a core curriculum including public management, analytic methods, financial management, and microeconomics; second, concentration courses in homeland security, emergency management, cybersecurity, and intelligence; and third, an internship or career experience in homeland security or a related field.
