

## **The Institute of World Politics – Master of Arts in Statecraft and National Security Affairs**

The Master of Arts in Statecraft and National Security Affairs is designed for students currently in the intelligence or national security communities or for those who wish to enter one of these career fields. This 52 credit hour/two-year degree provides a comprehensive study of the theory and practice of intelligence and national security policy, process, strategy, and implementation, both in historical and contemporary perspectives. Significant attention is directed toward vital current policy issues as well as understanding foreign cultures and the practices of foreign powers.

### **Required Course**

664 Foundations of Homeland Security

### **Elective Courses** (Choose three)

612 American Intelligence and Protective Security: An Advanced Seminar
