University of California, Los Angeles - Emergency Management and Homeland Security Certificate

The University of California, Los Angeles Extension Programs offers a Certificate in Homeland Security and Emergency Management. The program provides the core knowledge and skills essential for leaders in today’s world of emergency planning, security, protection, emergency response, and prepares students for jobs expected to remain in demand. The Certificate prepares candidates for management and supervisory positions within this high growth industry.

Homeland Security and Emergency Management prepares professionals to lead security, protection and recovery identification and planning; resource management, pre-disaster risk mitigation; post-disaster recovery, and ‘best practices’ for protecting employees, visitors, physical and other organizational assets.

The curriculum is intended for:

- Government agency employees (federal, state, local);
- Private business managers in such areas as human resources, finance, project management, communications, and facilities management;
- Real estate and private property managers;
- Military personnel transitioning into civilian careers; or
- Current college students or recent college graduates looking for socially satisfying careers.

Required Core Courses:

- 408.801 Emergency Preparedness and Homeland Security: An Overview
- 408.802 Fundamentals of Emergency Preparedness
- 408.803 Human, Legal-Compliance, and Ethical Issues of Emergency Prep.
- 408.804 Testing, Training and Exercises for Business and Government Agencies
- 469.15 Crisis Management. & Communications: Safeguarding Image & Viability

Electives: (Complete one of the following)

- 408.805 Capstone: Building the Preparedness Plan
- 408.806 Internship in Homeland Security and Emergency Management

Program Approved for Veterans Benefits.

The University of California, Los Angeles is regionally accredited by the Western Association of Schools and Colleges (WASC).
