

University of Maryland, University College – Bachelor of Science with a Minor in Emergency Management

University of Maryland University College offers a Minor in Emergency Management. The Emergency Management curriculum complements the skills the student gains in his or her major discipline by providing knowledge of the concepts of emergency management.

Courses may not duplicate those used to satisfy requirements for the major. At least 9 credits must be earned in upper-level courses (numbered 300 or above). Prerequisites apply for all courses.

Minor Required Courses: 15 Credits

Concepts of Emergency Management – 3 Credits

Emergency Response Preparedness and Planning – 3 Credits

Social Dimensions of Disaster – 3 Credits

Exercise and Evaluation Programs – 3 Credits

Terrorism Issues in Emergency Management – 3 Credits

This minor requires 15 of minor coursework with a minimum total of 120 credits towards a bachelor's degree.

The University of Maryland University College is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools.
