

University of Wisconsin Oshkosh – Master of Public Administration Emphasis in Fire and Emergency Administration and Management

The Master of Public Administration (MPA) program combines a commitment to academic excellence with a concern for the applied aspects of public administration. IT integrate theory, research and practicing in public administration in a manner that develops and enhances leadership skills, administrative capabilities, and management practices. The Fire and Emergency Administration and Management emphasis focuses on administrative and management responsibilities of the executive administrators.

Master of Public Administration, Fire and Emergency Administration and Management emphasis
