

## **Upper Iowa University - Bachelor of Science in Emergency & Disaster Management**

Discover or reimagine your calling in life. Students from all walks of life are welcome to join us in our mission to help people in need. Our purpose is clear. We offer practical yet interesting interdisciplinary courses that incorporate innovative trends in the field. Our curriculum is taught by caring and experienced emergency disaster management leaders who are experts at helping students navigate the politics of real-world challenges.

Flexible, on-line and face-to-face/hybrid course formats. Many start-dates to choose from. Most courses are eight weeks in length (Summer Session #6 is 6 weeks in length).

Upper Iowa University is accredited by the Higher Learning Commission. We also have an extensive nationwide network of emergency disaster management professionals to assist you with your career development.

Make your purpose clear. Apply today.
