

Walden University–Online Master of Public Administration (M.P.A.) with a Specialization in Homeland Security Policy

Walden University offers a Master of Public Administration (M.P.A.) program with a specialization in Homeland Security Policy online. This specialization can prepare homeland security professionals to implement protective measures without compromising individual rights and freedoms.

Walden’s online program is ideal for policymakers and government leaders who are unable to put their careers on hold to earn an advanced degree. Individuals in the following areas will benefit most from the specialization in Homeland Security Policy:

- Leaders of Federal, State, and local security council’s who are responsible for developing and implementing security policies and guidelines
- Federal Homeland Security employees who are developing legislation, rules, and guidelines for security
- Legislative Aides at all levels of government, particularly those who work with senators, representatives, and others who are developing legislation impacting civil liberties and public security
- Lobbyists who need to understand the laws and issues around public security and civil liberties
- Individuals in business who are responsible for security issues
- People who work in advocacy nonprofit organizations and think tanks that research and recommend policy and legislation
