Waldorf University – Emergency Management Certificate

Waldorf University offers an Emergency Management Certificate. The certificate program is designed for both current and aspiring professionals. Students may seek a certificate exclusively to advance their career-related knowledge and skills, or may pursue a certificate as a stepping stone toward Waldorf’s online associate degree or bachelor’s degree programs. Students who wish to pursue a bachelor’s degree, the Emergency Management certificate is designed to coordinate with the B.A. in Emergency Management or the BA in Homeland Security at Waldorf University.

Waldorf’s Emergency Management certificate provides foundational knowledge and initial exposure to the Emergency Management field. Students explore a variety of areas within the discipline, including the four phases of emergency management, terrorism in emergency management, as well as interagency disaster management. This certificate is designed for students seeking entry-level exposure to the emergency management field, as well as professionals in industries such as fire science, homeland security, and EMT administration who are seeking to bolster their emergency management background.

Estimated time to complete this certificate program is six to twelve months.

Certificate Completion Requirements:
• Completion of the certificate’s curriculum and credit requirements
• Minimum grade of C in all concentration coursework
• All certificate courses must be completed at Waldorf University

Certificate programs are not eligible for Federal Student Aid.
